COMPLAINT AND REQUEST TO RESET RESPONSE TIME

The 11/21/00 Office action (Paper No. 16) in the application of reference was not mailed on November 21st as stated on its cover page but was postmarked NOV 27'00. See copy below. Mail from the Office the last couple years has been poor, routinely being mailed later than the nominal mailing date, and Paper No. 16 is extremely late. Please reset the shortened statutory period for response accordingly.

Respectfully submitted,
